## A Year by Year Comparison: 2008, 2009, 2010

This comparison is intended to provide your programme committee with an overview of any progress with your programme goals and indicators. While your goals and indicators may have changed a little or a lot, this is intended to give you some perspective of the learning outcomes programme committees will gain from having results from year to year.

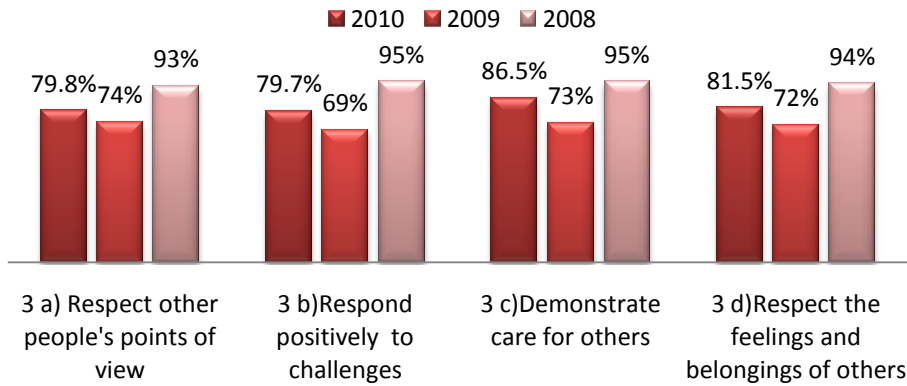

1 a) Show knowledge of own culture and be able to reflect on it    1 b) Gain knowledge of other cultures    1 c) Be open minded about new knowledge    1 d) Be able to reflect on new knowledge

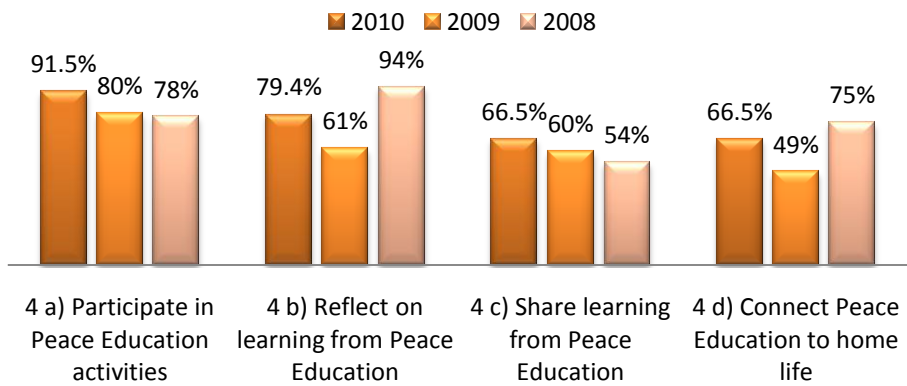

2 a) Interact with peers from other countries    2 b) Understand the importance of trust within friendship    2 c) Understand the benefits of an inclusive community    2 d) Contribute to the creation of an inclusive community

### G3. Develop positive attitudes towards others

### G4. Develop an interest in Peace Education
