

# Work with parents

# Parent Training / Information

# Practicals

- > Participation in activities is mandatory
- > Explain Forms to parents
- > Parents should also communicate with the partner Family
- > Take care for your host like you do for your own child – high responsibility
- > Don't plan extense travel, too many cultural things
- > Try to have one adult at home during hosting
- > Give an impression of your normal daily life
- > Travel-papers, Money, Health, Presents, ....

# Support your leader

- > Most of the communication with parents is done by the leaders.
- > Some leaders haven't been working too much with adults
- > Support them with your presence in parents meetings
- > Give advice to leaders on problems with parents
